In the above-mentioned paper, an acknowledgement was missing. The missing acknowledgement can be seen at the end of the updated acknowledgements section, given below.

*Acknowledgements.* The authors gratefully thank the crew of R/V *Mytilus* for their valuable help during the cruises. The authors also want to specially recognize specific lab work made from different members of both the Oceanography group from the Instituto de Investigaciones Marinas de Vigo (CSIC) and the Divisão de Geologia e Georesursos Marinhos from Instituto Português do Mar e da Atmosfera (IPMA). Special thanks to M. Zúñiga for his help in the writing process. This study was sponsored by CAIBEX (CTM2007-66408-C02-01/MAR) and REIMAGE (CTM2011-30155-C03-03) projects funded by the Spanish Government, EXCAPA project (10MDS402013PR) sup-

ported by Xunta de Galicia, the EU FEDER funded projects RAIA (INTERREG 2009/2011-0313/RAIA/E) and RAIA.co (INTERREG 2011/2013-052/RAIA.co/1E) and the CALIBERIA project (PTDC/MAR/102045/2008) financed by Fundação para a Ciência e a Tecnologia (FCT-Portugal) and COMPETE/FEDER -FCOMP-01-0124-FEDER-010599. Diana Zúñiga and Emilia Salgueiro were funded by a postdoctoral fellowship (Plan I2C) from Xunta de Galicia (Spain) and (SFRH/BPD/111433/2015) from FCT, respectively. Celia Santos was funded by a doctoral grant from FCT (Portugal) (SFRH/BD/88439/2012). This work was financed by national funding through FCT-Fundação para a Ciência e a Tecnologia in the framework of UID/Multi/04326/2013 project.
