

Planktonic foraminifera

- G. adamsi*
- G. bulloides*
- T. quinqueloba*
- H. pelagica*
- H. digitata*
- N. incompta*
- N. pachyderma*
- G. scitula*
- G. crassaformis*
- G. truncatulinoides*
- T. fleischeri*

Heterotrophy

Various extent of acquired phototrophy / mixotrophy

Autotrophic protists

Permanent endosymbiosis

Phototrophy
