In the above-mentioned paper, we omitted mentioning our funders. The correct "Financial support" section is shown below.

Financial support. The Natural Environment Research Council (grant no. NE/M009106/1) provided funding to Sofie Sjogersten and supported Martha Ledger's PhD; the research was also supported by the University of Nottingham (IRC2020) and the INTERACT III project under EU H2020 for funds supporting the ground data collection.
