Journal: BG Title: Summer and winter living coccolithophores in the Yellow Sea and the East China Sea Author(s): X.Y. Gu et al. MS No.: bg-2013-134

Dear Dr. Gu,

Thank you very much for your efforts for reply to reviewers' comments. The responses to of the reviewers' comments and questions have been satisfactorily addressed and thus I expect that the revised manuscript will meet the high quality standards of BG. Accordingly, at this moment, I am pleased to tell you that your paper can be recommended for publication in Biogeosciences Special Issue after the submission of a revised manuscript.

C6346

Congratulation and thank you for submitting your paper to BG Special Issue.

With kind regards,

Chang-Keun Kang
