Received and published: 16 June 2014

4826:9 June 4 → delete We deleted "4"

4826:11 in four samples out of eight → delete 4826:13-14 delete text within brackets  
4826:26 In summer → In the summer 4827:18 at all → delete 4827:28 relating of →  
relating to 4828:10 Sveinbjörnsson → delete 4828:12 certain → the following 4829:8  
shallow → lowest All of the above have been corrected.

4830:1 M15 → Quadrat M15 4834:13 published → reported 4834:27 render → ren-  
ders 4835:14-15 in a single quadrat respectively → in single quadrats 4835:15 at all  
→ delete [I suspect B. Magnússon means 4835:25] 4837:27 .. from 1969 → ..from  
1969 (Bjarnason and Friðgrikksson, 1972). Corrected.

4839:11 (Badan Geologi.....) → (substitute with proper reference) The reference is proper but not properly presented, we will put "(Badan Geologi 2014)" in the main text and insert the site as a reference in the reference list: "Badan Geologi: <http://www.vsi.esdm.go.id/>, last access: 12 June 2014."

4839:14 or none → delete 4839:21 at all → delete 4839:21 don't → do not 4840:11 → Interestingly some of the species the island has in common with Surtsey .. 4841:14 sped up → increased considerably 4842:2 fast the first → fast during the first 4842:17 are lacking → lack 4850: Fig 1, text: The figure shows the → delete → Number of bryophyte species.. 4851: Fig 2, text: Total → delete → Distribution of the most common genera on Surtsey in 2008. Corrected.

4855: Fig. 6. text: Fumarole on a palagonite ridge on Surtsey. (The first sentence is too detailed !) We have deleted "on the eastern end of" and " , the eastern palagonite ridge is in the background".
