Date: 17 November 2015

Subject: Corrected manuscript (bg-2015-221) submission to *Biogeosciences*

Dear Prof. Tom J. Battin,

Thank you for accepting our manuscript (bg-2015-221) entitled "**Chlorophyll *a* specific $\Delta^{14}\text{C}$, $\delta^{13}\text{C}$ and $\delta^{15}\text{N}$ values in stream periphyton: implications for aquatic food web studies**".

In accordance with your instructions, the grammar and style in the manuscript have been corrected by a professional scientific editing service. We wish to resubmit it for your consideration.

Sincerely,

Naoto F. ISHIKAWA
