

Author's responses

Journal: BG

Title: Seasonal and size-dependent variations in the phytoplankton growth and microzooplankton grazing in the southern South China Sea under the influence of the East Asian monsoon

Author(s): L. Zhou et al.

MS No.: bg-2015-114

Dear Editors,

We do appreciate your and the reviewer's comments and time on the manuscript. We have uploaded the required files including a MS docx file includes the title, authors and their affiliations, abstract, tables (not included as images), and figure and table captions, and a zip file including all the figures (in EPS format).

Yours sincerely,

Linbin Zhou
