

***Interactive comment on “The import and export of organic nitrogen species at a Scottish ombrotrophic peatland” by R. M. McKenzie et al.***

**R. M. McKenzie et al.**

rebecca.mckenzie@uhi.ac.uk

Received and published: 31 May 2015

Please note, references to Altieri et al., (2009) and Maie et al. (2006) were added to the introduction but not completed at the end of the tracked manuscript attached to my response. This has been corrected in the final manuscript.
