

Interactive comment on “Biologically labile photoproducts from riverine non-labile dissolved organic carbon in the coastal waters” by V. Kasurinen et al.

V. Kasurinen

ville.kasurinen@helsinki.fi

Received and published: 29 July 2015

Dear Birgit,

thank you for interest and support for our study. We will correct issue you pointed out in the next version of the manuscript.

With best wishes,

Ville Kasurinen
