Dear authors, After I posted my review, the following paper has been published in Chemical Geology: <http://www.sciencedirect.com/science/article/pii/S0009254115300620> Please, consider it in the new version of your manuscript.

Reply: Thank you for alerting us of this new publication. We have incorporated our views on it in our first response to you. We hope we have covered and provided

C8008

answers to all your comments and would like to thank you again for your time and thoroughness.
