## ***Interactive comment on “Sesquiterpene emissions from vegetation: a review” by T. R. Duhl et al.***

**T. R. Duhl et al.**

Received and published: 16 January 2008

### Author Response to Referee #2 Comments

We would like to thank this reviewer for providing us with a list of papers for possible inclusion in the manuscript. We carefully reviewing each one. We found that 7 of the 11 papers on the list were relevant to the research presented in the manuscript, and we included them in the appropriate sections of the review.
