Received and published: 20 July 2010

Specific comments:

-Introduction:

p. 4185 line 9: (Bertling et al. (2006) → (Bertling et al., 2006)

-Geological settings:

p. 4186 line 12. References should be added Ex: *Dubois & Delfaud, 1989; Lemoine & C1883*

de Graciansky, 1988; Baudrimont & Dubois, 1977; Dumont, 1988

-Methods:

p. 4187 line 20: Harazim et al. (2010): missing in references list.

p. 4188 line 1: μg “in size”: not clear.

-Results:

p. 4196 line 20: problem 2 references Mennessier

“Mennessier (1986)” → “Mennessier and Collomb (1986)

“Mennessier (1984)” → “Mennessier et al. (1984)

p. 4197 line 10-13: “*A major sedimentary break (...) the sedimentary column.*” → References should be added.

p. 4198 line 26-27: “*Early Jurassic accommodation (...) sea level fluctuations.*” → References should be added.

p. 4201 line 20: “insert a space” between McArthur et al., 2007; and Newton and Bottrel, 2007

p. 4202 line 21: delete “;” after Himmler et al., 2008

-References

p. 4210 line 13: “2005” → 2005a

p. 4210 line 16: “2005” → 2005b

References: “Dera et al., 2008 and Dera et al., 2009” are missing in the references list.
