

***Interactive comment on “Desert dust and anthropogenic aerosol interactions in the Community Climate System Model coupled-carbon-climate model” by N. Mahowald et al.***

**N. Mahowald et al.**

mahowald@ucar.edu

Received and published: 6 December 2010

Responses to reviewers are included in the attached pdf. We also include the revised manuscript (with changes highlighted) and the full set of figures, since we modified most of the figures in response to reviewer comments.

Please also note the supplement to this comment:
