Dear Editor,

I would like to submit the revised version of this manuscript to Biogeosciences Discussions after valuable comments from the anonymous Reviewer #1. We greatly appreciate the contributions and addressed all minor points identified by him/her on the text.

L. 5. “and” changed by a comma. P.4227. L.10. Sentence modified in order to attend the reviewer’s comment. P.4228. L.12. “Here, the aim” changed by “The aim of the present study” P. 4234. L.17. “we were unable to reject” changed by “we confirm”

Sincerely, Humberto Marotta Corresponding author
