Received and published: 22 June 2012

Dear Reviewer, we thank you very much for your interesting and very useful comments which will certainly improve the quality of our manuscript and make our work much stronger. By today (June 22), we have only partly replied to all your comments and remarks. Also we would need some additional time to fully revise the manuscript and reply in detail to your remarks. We plan to submit the revised version of the paper and answers to reviewers' comments by July 15. We hope this convenient for you and the Editor. Best regards, The Authors.
