Received and published: 18 March 2012

Title: Soil organic carbon storage changes in coastal wetlands of the modern Yellow River Delta from 2000 to 2009

Authors: J Yu et al. The MS is, in general, well written, and should be accepted for publication. However, a few errors remain and may be considered during revision. Line 20, page 2: change “concentration of the carbon cycling” to “greenhouse gases” Line 10, page 3: change “bog” to “bogs” Line 21, page 3: change “The land use” to “Land use” Line 10, page 5: delete “,” after Beauv Line 17, page5: change “EADAS” to “ERDAS” Line 9-14, page5: these sentences should be included in section “Material and Methods”
