

Interactive comment on “Observed trends of anthropogenic acidification in North Atlantic water masses” by M. Vázquez-Rodríguez et al.

M. Vázquez-Rodríguez et al.

mvazquez@iim.csic.es

Received and published: 15 September 2012

Please, see the attached PDF file with the answers to your comments and suggestions. Please note that we have included the revised version of the manuscript at the end of that letter for your convenience, that is why the document has more pages than expected.

Sincerely,

Marcos Vázquez-Rodríguez and co-authors.

Please also note the supplement to this comment:
