Received and published: 5 October 2012

Dear Editor and Referee,

Here enclosed our revised manuscript: “Phytoplankton distribution in unusually low sea ice cover over the Pacific Arctic” which was published in Biogeosciences Discussion, 9, C611-C612. We feel that we addressed all comments, suggestions and issues that the referees have raised. You will find our answers to the general and more specific comments of the two referees in the interactive discussion. Looking forward to hearing from you,

Sincerely yours,

Pierre Coupel
