

**We addressed all comments listed in the Editor's letter:**

*Line 100: These does not have to be bold as part of the paragraph.*

Done

*Chapter 5.2: some number have been changed to only two decimal places, other not, I don't see the logic. Perhaps 2 is enough?*

Done. R changed to 2 decimal places.

*Chapter 6: make sure to remove 4 (also at 6.1; 6.2 etc)*

Checked

*Chapter 6: Check the title. .... applying a quantitative approach such as red fluorescence.*

Title revised

*Line 369: a , between new and essential*

Done
