Please note that a typographical error was made on page C7, lines 11-12 of the authors' response to Reviewer 1 comments. The sentence that states "Results from this analysis are termed RMSE Sounding in Table 4 (manuscript), and range from 2 to 37 cm." should be corrected to state "Results from this analysis are termed RMSE Sounding in Table 4 (manuscript), and range from 13 to 32 cm."
