

## ***Interactive comment on “Size-dependent response of foraminiferal calcification to seawater carbonate chemistry” by Michael J. Henehan et al.***

**L.J. de Nooijer (Editor)**

[lennart.de.nooijer@nioz.nl](mailto:lennart.de.nooijer@nioz.nl)

Received and published: 23 February 2017

Dear Dr Henehan and co-authors,

I would like to invite you to reply to the points raised by the second reviewer and upload an improved version of your manuscript. I am looking forward see an updated version!

Sincerely,

Lennart de Nooijer
