Received and published: 15 June 2016

We thank reviewer #1 for the constructive hints. Please find below our response.

In the revised manuscript we will correct the mentioned mistakes. We will change “ml” to “mL” when necessary, “mgL⁻¹” to “mg C L⁻¹” and “former” to “former”. We will also correct the wrong comma setting in Fellman et al., (2010) to Fellman et al. (2010).

Interactive comment on Biogeosciences Discuss., doi:10.5194/bg-2016-88, 2016.
