I would like the author to carefully check the bibliography. There are a number of papers missing in the reference list, that are listed in the text and vice versa. For instance, Søgaard et al (2011) is listed in the bibliography, but never in the text. Young et al (2015) and Ugalde et al (2014) are referred to in the text, but it is missing in the bibliography, as far as I can see. There might be more instances, so please make sure that the referencing is in order.

RESPONSE: I have rechecked the reference list to include all cited publications and exclude those that aren't. In particular; Young and Ugalde have been added to refer-
