Received and published: 15 January 2018

Dear Referee #1, thank you very much for your comment. In order to consider your comment, we have to check back here if you actually refer to Groner et al. (2015) published in “Climate of the Past”, or if the first part of your comment concerns the present manuscript, submitted to “Biogeosciences”.

Interactive comment on Biogeosciences Discuss., <https://doi.org/10.5194/bg-2017-425>, 2017.
