Editorial Board of
Biogeosciences

**Dear Editor,
Dear Prof. Dr. Anja Rammig,**

We thank you for your effort with our submitted paper in discussion, bg-2017-531 "Simulating growth-based harvest adaptive to future climate change".

We are fully grateful for the constructive comments raised by the editor and the opportunity to finalize the manuscript for the publication in advanced journal of Biogeosciences.

Best regards,

Rasoul Yousefpour on behalf of all co-authors
