

Interactive comment on “Oxygen isotope composition of final chamber of planktic foraminifera provides evidence for vertical migration and depth integrated growth” by Hilde Pracht et al.

L.J. de Nooijer (Editor)

ldeenooijer@nioz.nl

Received and published: 19 June 2018

Dear Dr Pracht and co-workers,

we are awaiting the second reviewer's comments. But they are under way: please have some more patience.

Sincerely,

Lennart de Nooijer
