The Editors
Biogeosciences Journal

Dear Editors,

Thank you for accepting our paper titled:

**Technical Note: A simple theoretical model framework to describe plant stomatal
“sluggishness” in response to elevated ozone concentrations**

Uploaded is the “paper.tex”, which is the LaTeX file, along with references in “paper.bib”. The diagram is given within a .tar file.

We also supply a 500-character short summary of our analysis.

Thank you for all of your help so far with this paper. Please don't hesitate to contact me if you have any questions.

With kind regards,

Prof Chris Huntingford (and on behalf of co-authors)
