Received and published: 15 February 2019

Response to RC3 of dr. Takashi Toyofuku:

“I have read the new revision. Every reply with my questions was reasonable and the contents are brushed up. I am honored if my comment was helpful. It is good job to publish on BG.”

Dear dr. Takashi Toyofuku,

Thank you very much for your kind words. We believe that our manuscript improved significantly thanks to your comments and suggestions.

Also on behalf of the other authors,
