Thank you for your interest and review of this study. We hope the the below response to your specific comments adequately addresses the concerns you've raised.

P1L22 Thank you for pointing this out. We will revise the sentence.

P2L20 We've chosen to keep this in, mostly to introduce the concept of a 'typical' Q10 value which we come back to later in the manuscript.

P4L3 Thank you for the rewording. We will make the change.

P4L9 Tense will be corrected. Thank you.

P6L8 Yes, we would direct the reviewer to the results section P7L5. However, several

reviewers have had difficulty with this section and we will rewrite P7L5-12 in an attempt to clarify these results.

P8L10 Thank you for pointing out this confusing section. Several reviewers had difficulty with this section and we will rewrite this paragraph.

P10L22 Thank you for pointing this out. We have expanded on this section to attempt to clarify.
