Interactive comment on "Particulate Rare Earth Element behavior in the North Atlantic (GEOVIDE cruise)" *by* Marion Lagarde et al.

Marion Lagarde et al.

marion.lagarde@legos.obs-mip.fr

Received and published: 30 June 2020

Dear Editor, dear Referee,

We would like to thank you for your careful reading and useful comments on our paper "Particulate Rare Earth Elements behavior in the North Atlantic". Our manuscript has greatly improved. Please see our answers to Referee #2 in the attached pdf document. We carefully addressed all comments from the Referees. Referee's comments are reported in black font, and our responses are in blue font. New and/or modified line numbers are also provided. The modified parts in this new version of our manuscript appear in blue font. We hope that you will find this manuscript suitable for publication.

Best regards,
