Interactive comment on "Extraterrestrial dust as a source of bioavailable Fe for the ocean productivity" *by* Rudraswami N. Gowda et al.

Rudraswami N. Gowda et al.

rudra@nio.org

Received and published: 29 September 2020

There is problem existing in the figure 2 and 3 as they seem to have overlapped somehow with each other during conversion to pdf. I apologize for this overlap. However, attached files have figure 2 and 3 for your reference. Thanking you Rudraswami N G
